Quilts on the Double with Judy Hooworth

Quilts on the Double – 2 day workshop

Explore the possibilities of making **two totally different quilts** from one set of simple cutting and sewing!

You will begin with some easy strip piecing then make some cuts to give you two sets of triangles. The fun begins as you arrange them to make two quilts. You will see the amazing possibilities that can result.

Discover designs that work best for your set of fabrics.

There are many, many possibilities for each quilt, and the designs work especially well with striped fabrics as all kinds of log cabin style patterns can be made. The basis of the quilts is groups of fat quarters or fat eighths. This class can help you use up some of your stash!

Pre-class preparation is required so that you to focus on making both quilt tops in class.
